Welcome to Hochschule Mainz, University of Applied Sciences.

Thank you for being interested in studying at our University. This guide is meant for all international incoming students of Hochschule Mainz, both Bachelor and Master students staying with us one semester or a full academic year either in the framework of an exchange programme or as a free mover student.

We warmly recommend you to read this handbook carefully. A lot of information **especially for you** concerning studying and living in Mainz will help you planning your stay here and settle in to our University and the city of Mainz.

We hope that you enjoy your studies at Hochschule Mainz!

International Office Team

Germany – Mainz

The Federal Republic of Germany is composed of 16 federal states. It is located in the centre of Europe and has nine neighbouring states. With a population of about 82,500,000 citizens it is the most highly populated country in the European Union, but according to area size it is the third largest country. As a member of the European Union and NATO Germany is an important place for European and international contacts. Its central position means it serves as a bridge between the countries of Western and Eastern Europe, and well as between those of Northern and Southern Europe.

Mainz, the capital town of Rheinland-Pfalz (www.rlp.de) with 202,000 inhabitants has an impressive historical past, over 2,000 years old. Mainz has played a central role in German history, the cathedral, seat of the bishop of Mainz, dates back to 975. The city's famous son, Johannes Gutenberg, printed the first bible in 1452.

As the centre of the Rhein-Main region, Mainz is well-known for its friendliness and cosmopolitan outlook, which is best demonstrated during the carnival season. Mainz is also an important economic base for industry (such as IBM and the Schott Glass factory) as well as being a significant media centre (ZDF and Südwestrundfunk radio and television channels are all based in Mainz).

The twin towns of Mainz are Dijon, Longchamps (France), Watford (England), Zagreb (Croatia), Valencia (Spain), Haifa (Israel), Erfurt (Thuringia), Rodeneck (Italy), Baku (Azerbaijan) and Louisville (Kentucky, USA).

Studying at the Hochschule Mainz

The Hochschule Mainz, University of Applied Sciences: a system of clearly structured courses combined with practical usage, which can be mastered in a reasonable and defined time period. With the introduction of the bachelor/master structure in the courses of study, the University has ensured the internationality comparability of its diplomas and it is part of the European Higher Education Area.

For us it is only natural to orientate our teaching internationally. We co-operate with about 90 international partner universities in the entire world. Integrated foreign courses, internationally recognised master's courses, support of study periods abroad and exchange programmes for lecturers as well as efforts to intensify the students' language training through foreign language classes all play an important role.

The close contacts, which exist with many enterprises and the practical emphasis in the bachelor thesis, ensure a smooth transfer from student to professional life.

A particular strength of the Hochschule teaching staff is that all of them have also had many years professional experience in business or industry. The Mainz University of Applied Sciences puts especial emphasis on closeness to its students. The good rapport between students and university lecturers is promoted by intensive advising, small learning groups, teamwork and many joint projects.

The International Office's main tasks are to promote and intensify co-operation agreements with foreign universities, to assist foreign students and teaching staff at the university, and to give advice and help to students and teaching staff at the Hochschule Mainz who wish to study or work abroad.

The following offers are made for foreign students at the Hochschule Mainz as part of the **Tutorial and Welfare Programmes:**

- **Induction courses (Introduction Week)**
A few days to help foreign students get to know the study procedures at the beginning of the summer and winter semesters, e.g. enrolment, study plan, excursions, guided city tour, introduction to Olat, Intercultural Competence Training, registration with Foreign Office, Excursion to "Haus der Deutschen Geschichte", Riverboat Party, etc.
- **Subject Tutors**
Students in higher semesters offer specific subject tutorials for foreign students to help them prepare for course work and examinations. They also help explain difficult subject matters, the teaching and learning methods common at the HS and help with any linguistic problems.
- **Excursions**
Our excursion programme aims to deepen and widen academic knowledge by giving the students the opportunity to learn more about Germany's culture, economy and society as well as to intensify international contacts between students.
- **Other Information Sources and Programmes of Events**
The Student Service of the University of Mainz, kath and ev Studentengemeinden also offer a wide range of programmes for foreign students, which the HS students are welcome to participate in. Events about cultural, political, social and economic aspects of German life, as well as events about foreign cultures are some of the items on their programmes. Furthermore, they offer a wide range of excursions. (<http://www.studierendenwerk-mainz.de/kultur/?L=3>)
- **Foreigners Become Friends**
Foreigners Become Friends brings together citizens of Mainz and international students. Students and hosts may share various activities: sightseeing, eat & drink, learn languages, cultural events, sports

APPLICATION / ADMISSION

Application and Admission of Exchange students

First of all your home university has to nominate you as an exchange student to our university. We confirm the nomination via e-mail and kindly ask the students to send us the complete application documents, which are:

- Online-application via the following link, which is accessible until June/Dec 15th. Please copy/paste the entire link (both lines):
https://www.service4mobility.com/europe/BewerbungServlet?sprache=en&identifier=MAINZ08&kz_bew_art=IN&kz_bew_pers=S&aust_prog=ALL
- Subject Nomination Form (signed by your coordinator, refer to the course catalogue).
- Certificate of health insurance (for EU citizen copy of the EHIC)
- Copy of your passport or ID card
- CV in English or German Language
- Portfolio on CD or via Dropbox upload (please provide the Dropbox link within the online application)

All exchange students will get an acceptance letter and a learning agreement according to the subject nomination immediately after the deadline.

Application deadline

15th of June for winter semester (semester 1)

15th of December for spring semester (semester 2)

Course selection, subject nomination and learning agreement

As an exchange student you can choose your individual programme from the courses offered by the departments as described in the course catalogue.

Please contact your exchange coordinator to make sure that you comply with any requirements stipulated by your home university, as to which modules you are allowed to take at Hochschule Mainz (course contents, course length, study year etc.).

Financial requirements

Exchange students coming to study at our University for one semester or one academic year will not have to pay tuition fees. European students normally get an ERASMUS grant from **their home university**.

Other exchange students should have already applied for grants etc. in **their home country**.

Generally speaking, you must try to ensure that your stay in the Federal Republic is on a financially secure footing before you start your studies. Do not assume that you will be able to finance your studies by being able to work in Germany, because you do not have an automatic right to work for more than three months a year (90 days full time or 180 days part time) and you may not be able to find or keep a job.

Non-EU students (except students from the US, Canada, Australia, Japan) normally must show that their income is secured. A financial statement is required and could be:

- scholarship, grant...
- a blocked account with min € 720,-/month at your disposal
- a declaration of commitment

For further information please contact the German Embassy or consulate in your home country or:

http://www.auswaertiges-amt.de/EN/EinreiseUndAufenthalt/Visabestimmungen_node.html

or

http://www.internationale-studierende.de/en/prepare_your_studies/entry_into_germany/proof_of_financing/

Language skills – prerequisites

Those exchange students who do not speak German can put together their study programme with courses offered in English or accompanied by tutors. Please make sure that your English language skills are good enough to be able to follow lectures, present your work and write theses and examinations in English.

Moreover, we recommend Bachelor students to have acquired language skills, which correspond to level B2 and Master students level B2-C1 of the Common European Framework of Reference for Languages. We do not require our exchange students to submit any language examinations such as the TOEFL test.

THE ACADEMIC YEAR

The academic year is divided into two semesters at the HS Mainz, University of Applied Sciences:

Semester 1 - WINTER SEMESTER 2017/18

Start of semester: September 01, 2017
End of semester: February 28, 2018

Semester 2 - SPRING SEMESTER 2018

Start of semester: March 01, 2018
End of semester: August 31, 2018

Study periods

Study periods are different from semester dates:

Corpus Christi	31.05.2016

BEFORE COMING TO MAINZ

If you are planning to come and study in Germany, you should start your preparations at least one year in advance, because a successful stay is often only possible if it has been properly planned. You will need to use your own initiative and be persistent. Apply in good time to the contact addresses and persons to ensure you fulfil all admission requirements to be able to study at the HS Mainz.

Insurance

Health insurance

If you wish to study in Germany you need health insurance. **Without proof of health insurance coverage you cannot be enrolled at Hochschule Mainz.**

With some countries, such as members of the **European Union** and the European Economic Area, Germany has a social security agreement. As long as you have public health insurance at home you can get this insurance coverage approved by a public health insurance company in Germany. But make sure you clarify at home which documents you will need to take with you! For students this is usually a European health insurance card (EHIC).

All other foreign students also need health insurance. We strongly recommend taking out German health insurance (about 90€ per month).

Basically, up until you are 30 years old or until your 14th term of study you must have compulsory health insurance.

Some private health insurances from other countries may also be recognised in Germany. Such an insurance needs to meet the “Schengen”-requirements and cover at least 30.000 € for medical treatment. Please note, that only English or German contract copies will be accepted. You should clarify the exact details with your insurance. It is possible that your insurance will not cover all costs in Germany. Before you enter the country make sure you know exactly what services you are entitled to in Germany. If your private health insurance is recognised then for the purpose of your enrolment at university you will need confirmation that you are exempt from taking out public health insurance. But be aware that for the duration of your studies you cannot change to public health insurance!

More information:

<http://www.unilife.de/rh/rd/38837.htm>

http://www.internationale-studierende.de/en/prepare_your_studies/entry_into_germany/health_insurance

Accident insurance

All registered students at the HS Mainz are covered by **compulsory accident insurance** for any accidents, which may occur at the university or on their way to or from it.

Liability insurance

You are not covered in the event of being personally responsible for accidents or damage caused. As the responsible party you are then personally liable. To cover such cases it is recommended that you take out a **third party accident and liability insurance**.

Immigration regulations/ registration

Foreign Students from EU countries

Foreign students from EU countries are allowed to **enter** the Federal Republic of Germany without any particular formalities. However, if you plan to **stay** in Germany for more than three months, you must apply for a residence permit at the ‘Bürgeramt der Stadt Mainz’ (public administration office responsible for foreigners). The following items are required:

- A passport or an identity card valid
- Your rental contract
- Application form of registration

You need the residence permit for opening a bank account in Germany or for the German tax card, a document that is necessary in case you try to find a job. In addition to their studies, foreign students are allowed to work for up to 90 days (full time) or 180 days (part time) a year without requiring a work permit.

Foreign students from non-EU countries

Regulations for foreign students studying in the Federal Republic of Germany are subject to the laws for foreigners. Please inform yourself and apply to the German Embassy in your home country about current regulations concerning **entry** and **residence** for the Federal Republic of Germany. To enter the country you will certainly require a valid passport with visa or a residence permit for students. To apply for this we will send you an invitation letter from our university. A tourist or visitors visa is not sufficient. You also must apply for a residents permit at the 'Bürgeramt der Stadt Mainz' (foreign office) after your arrival. **A registration certificate is required** for extending your visa and opening a bank account. Registrations will be carried out in the introductory week.

Re-registration/ deregistration

This applies to all international exchange students: If you move house during your stay, you are required to re-register your new home at the local registration office, i.e. you must register your new address. On leaving Germany when you have finished your studies you must deregister yourself at the local registration office.

Cost of living:

Cost of living depends on your personal expenses. The minimum budget for living and studying in Mainz is about 650€ per month. The following expenses have to be taken into account:

Rent:	300 to 400 € per month
Food:	lunch at the student restaurant costs between 3 and 5 €
Copies:	40€ per semester
Books:	depending on the courses (100 to 200€ per semester)
Social semester fee:	about 300 € (Includes the public transport for the whole semester and other student benefits)
Excursions and events:	about 60€ per semester

ACCOMMODATION IN MAINZ

In principle, you may apply to stay at any one of the residential accommodation units. A map showing where the different residences are situated is available on **the next page**. However, as there are not always enough rooms available in sufficient quantity, we advise you to prioritise your requests (e.g. Inter II 1., K3 2., Wallstraße 3, etc.) The Student Services will do its best to meet your requirements, but we hope you realise that it is not always possible for everyone to be allocated their first choice.

Description of the Residence Halls

Please find the description on page 14 and 15.

Application procedure:

If you would like to apply for accommodation in a student residence, you have to apply **directly** to the Student Services ('Studierendenwerk') in Mainz. Application has to be done online:

<http://www.studierendenwerk-mainz.de/wohnen/apply/?L=3>

Responsible for Accommodation:

Studierendenwerk Mainz
Wohnraumverwaltung
Staudinger Weg 21
55128 Mainz
Germany

T 0049 6131 392 4982

F 0049 6131 392 4734

E-mail: international@studierendenwerk-mainz.de

SIS Pack

There are no bedclothes, pillows or kitchenware in the rooms of the residential accommodation. You can either bring these things with you, or buy a "SIS-Pack" provided by the Student Services. This Service Pack can be compiled individually from different objects for the kitchen or your room. You will get more information via email from the Student Services once your accommodation is booked.

In every residence there is a TOM Housetutor. He/she is responsible for you in your residence. E.g. will you arrive out off office hours of the housekeeper your TOM Housetutor will give you your room keys.

Application deadline

Please fill in the online application form **by 15th of June at the latest (for the winter semester/ semester 1) or 15th of December (for the summer semester/ semester 2)**.

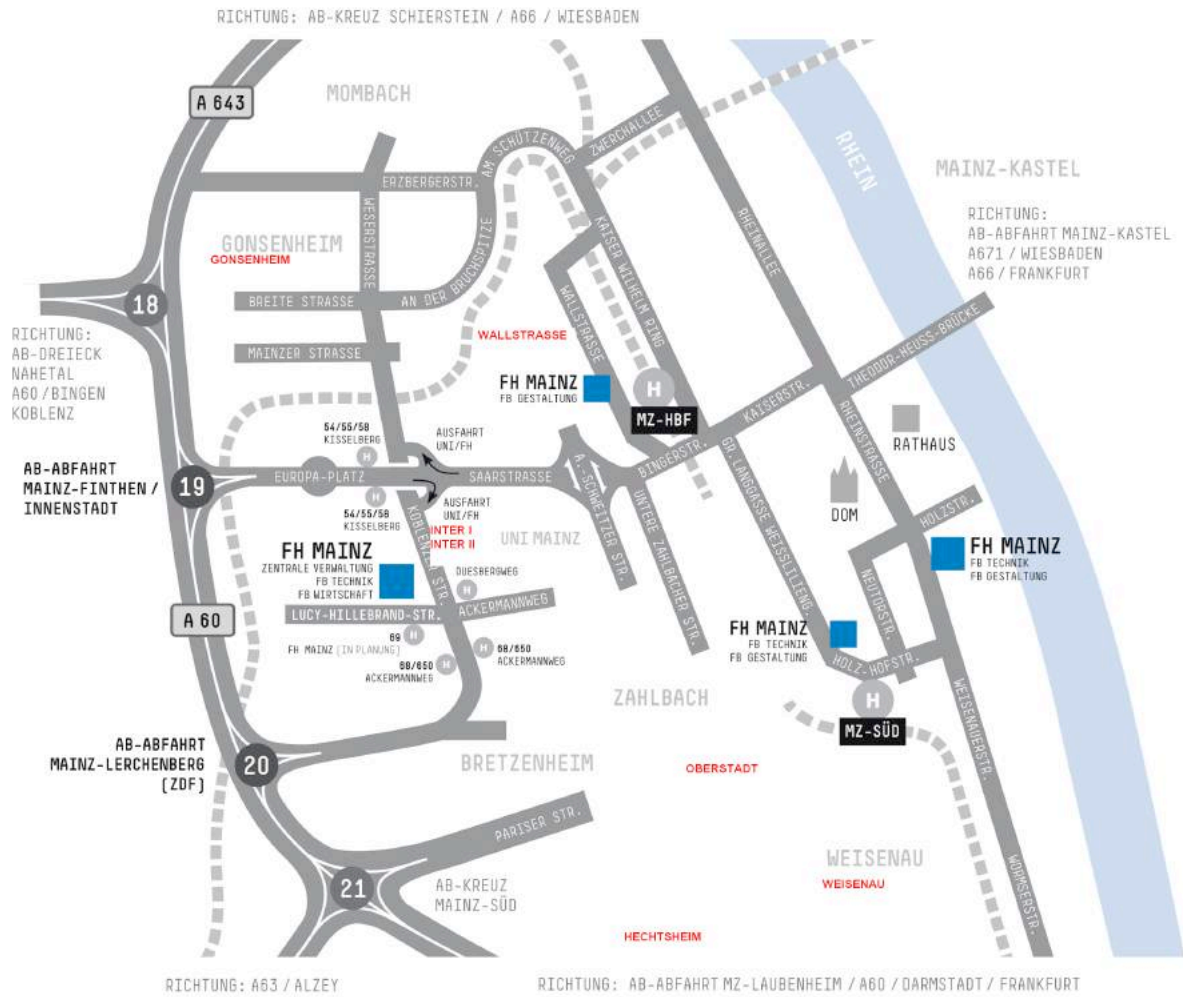

Applications will be dealt with as they arrive, so the earlier you send your application form in, the more chance you have of getting the room you want.

Rental agreement

You will receive a rental agreement from the Studierendenwerk (Student Service), as a rule per email at the end of July/January. The agreements are concluded for a full semester. In the winter semester the rental agreements cover a period from September to February and in the summer semester from March to August. A so-called holiday rental in February or August is possible; details on this can be obtained from the Student Service.

The rental agreement must be **signed and returned** to the Student Service within the period stated! This is important, otherwise the rental agreement will not come into effect and the room will be rented to someone else. **This rental agreement is binding.**

Please inform the Student Service about any changes of your email address.

Travel Information - How to get to Mainz

From Frankfurt international airport

You arrive at Frankfurt (international) Airport. The airport has 2 Terminals. The regional trains (to Mainz) depart from the local railway station (*Regionalbahnhof*), which is situated under Terminal 1. Therefore, if you arrive at Terminal 2, you will need to take the Sky Train shuttle service to Terminal 1, and then follow the signs for the *Regionalbahnhof* (**not Fernbahnhof**)

At the local railway station, follow the signs for S-Bahn. Please take the S8 trains (direction Mainz/Wiesbaden). Do not forget to buy a ticket at the RMV ticket machines beforehand! Tickets cost approx. €6.00 so please have some cash, or €5 or €10 notes ready. The trip takes between 18 to 25 minutes.

After you cross the river Rhine, the first station will be **Mainz-Römisches Theater**. If you want to go to location Holzstraße get off there. **Mainz Hauptbahnhof (main station)** would be best if you want to go to your student accommodation (second station after the river Rhine).

From Hahn airport (Frankfurt Hahn)

A shuttle service from the airport to Mainz station is available. The transfer takes about 90 minutes. Further information under:

http://hahn.orn-online.de/busfahrplan_mainz.htm

https://www.hahn-airport.de/default.aspx?menu=by_bus&cc=en

Tutors

During the introduction week and during the semester several tutors will support you. These will be Mainz students who will accompany you during the excursions and events and who will help you also with the bureaucratic issues.

Semester Social Fee

In order to register, there is a social services charge made of approx. 300,-€ which covers the costs of social welfare services as well as a **free travel ticket per semester** for public transport throughout the whole Rhine-Main region. This is not a course fee. The semester social fee can be transferred from abroad, or after your arrival in Germany.

Enrolment

Only after you have been officially enrolled as a student you will have the legal status of a student of the HS Mainz. In order to make your start as smooth as possible, there will be a few things that have to be prepared from abroad. You will need a student ID and number to get full access to the IT services of Hochschule Mainz or your student dormitory. This ID is also necessary to open a bank account and for several other things and at the same time will be your semester ticket!

To provide your student ID from your very first day in Mainz, we need to start the enrolment process before your arrival, which means – prior to arrival - you will have to

- pay the semester social fee (using the „our“ - bank transfer instructions) and upload the payment receipt
- hand in a confirmation of your health insurance (EU-students – a copy of the EHIC, NON-EU-students – a German Health insurance or a confirmation according to the Schengen-agreement (refer to page 10 of this document))
- fill-in the enrolment application

Details will follow by email a few weeks before the semester starts. Please transfer the fee and upload the documents only after you received this email and be assured, that if anything goes wrong with your enrolment, we will be able to fix this after your arrival and e.g. provide a temporary ticket.

FURTHER INFORMATION

Leisure and Sports Facilities

All students at the Hochschule Mainz are also allowed to use the *Leisure and Sports Facilities* of the Johannes-Gutenberg-University in Mainz. Their activities cover everything from A for Aikido to Y for Yoga, from general keep fit to competitive sporting activities:

<http://www.ahs.uni-mainz.de/infos.html>

In addition to that there are many sports and leisure clubs in Mainz, which anyone can join. Somewhere there is a club for you! It should not be too difficult to find a suitable place to spend your free time with like-minded friends, unless you find it too difficult to decide amongst all the choices!

Psychological counselling

Psychological counselling covers the following areas: individual counselling sessions, 'learning to study' groups, self-awareness groups and relaxation therapy. The therapeutic conception consists of various elements such as body psychotherapy, elements of family therapy and transaction analysis, relaxation and mental training techniques. Contact person is Ms. Claudia Huberti, e-mail: claudia.huberti@wiwi.hs-mainz.de

Career Center

The Career Center is a cross-faculty institution which is on the one hand the central interface of the University of Applied Sciences Mainz between companies and students and on the other hand a fundamental element of the course-related offers at the University of Applied Sciences Mainz which plays the role of a support partner for students with regard to their professional orientation and career entry.

We offer our students comprehensive consultation and information about the topics internship, finding a job, professional application and career planning. Further information:

<http://www.hs-mainz.de/studies/career-center/index.html>

Student union organisations

The student union organisations consist of three organs, the General Meetings, the student parliament (STUPA) and the General Student Council (AStA). Whilst it is the student parliament and the General Meetings which control the AStA's work and decide about changes to student contributions, the main daily business is done by the Student Council (AStA). For example, it offers students advice and support in social and economic matters. Furthermore, the AStA (School of Business) organises tutorials as well as the 'legendary' events for first semester students. The AStA also produces a magazine twice every semester called 'BASTA' and, last but definitely not least organises the HS-Parties! Information, dates of important events etc. are on the AStA's home page under: <http://www.asta-hs-mainz.de>

Student card /student restaurant /free meals

In the student restaurants you can pay without cash using your student card (Studicard). This can be purchased for a fee of € 5 in the student restaurant and you can have up to € 200 credit on this card.

The location Campus at the University of Applied Sciences Mainz has a cafeteria in the building where you can buy drinks and sandwiches and which is open during lectures from 9.00 am to 4.00 pm. There is a student restaurant in building K3 of the halls of residence which is about 1 minute's walk away from the university where a menu costs between about € 3 and €5.

All international exchange students have the possibility to apply for a so-called Free Table (free meals). This is financial support of € 30 to € 50 which is put onto your student card. The amount of support depends on your financial situation and can only be granted once a semester. Application forms are available at ASTA, room A 0.04. A current student certificate must be submitted together with the application form.

Internet access

At student halls

Generally you will have access to the Internet in all student halls. Please apply for the access after your arrival. Information and application forms are available from the student service.

At the University

During the semester you will have access to the different computer rooms at our Campus from 7.30 am, to 20.00 pm. Further information will be given during the introduction week.

Internet access via EDUROAM:

Before coming to Mainz please ask in your home universities' IT department if your home university participates in "eduroam". If they do, please register as soon as possible in your home country, this will facilitate your Internet access here in Mainz with you own laptop, etc.

Eduroam (education roaming) allows users (researchers, teachers, students, staff) from participating institutions to securely access the Internet from any eduroam-enabled institution. The eduroam principle is based on the fact that the user's authentication is done by the user's home institution, whereas the authorisation decision allowing access to the network resources is done by the visited network.

HIP and OLAT

HIP is the information portal of our university. Our students need HIP to get an overview of all achievements, to get information concerning timetables and exam dates, to know about room occupations as well as information about lectures, etc. Further information and login will be given during the introduction week.

OLAT is a Learning Management System provided by the Virtual Campus Rheinland-Pfalz. Lecturers use OLAT to communicate with the students. The main issue of OLAT is the provision of information (*foils, slides, Weblinks, Literature...*). The International Office also communicates with the exchange students via OLAT during their stay in Mainz. All exchange students will get an introduction to OLAT during the introduction week.

Important dates during the semesters

International Office and exchange students will meet once a month. Students will get information concerning examination regulations, Research Methods and excursions. Furthermore once a semester the International Office arranges an international student fair "Studying Abroad" for prospective outgoing students of Hochschule Mainz. We kindly ask you to represent your university and answer questions concerning living and studying at your home university. The fair will be held in May and November.

ECTS Workload and grading scale

ECTS stands for the European Credit Transfer System and its purpose is to facilitate the mutual recognition of university courses undertaken in other European countries.

Information (about courses and examinations), **mutual agreements** (between the partner universities and the students) and the application of the **ECTS-credit points** (for work undertaken) are the three basic principles underlying the ECTS system. These principles are applied in practice with reference to three key ECTS documents: the information package, student application forms, the learning agreements and the transcript of records. But above all, it is the students, the universities and their teaching staff that ensure the success of the ECTS, by encouraging foreign exchange programmes to become an integral part of the educational process. The ECTS has no influence on course contents, procedures or comparative evaluations of courses. These quality aspects are determined by the universities themselves during their preparations for bi- or multilateral co-operation agreements. The ECTS provides them with a means to achieve more **transparency** and to facilitate **academic recognition**.

The ECTS recognises that many different learning approaches are applied across European universities. For example, in Great Britain most students have to attend relatively few lectures; on the other hand, they have to prepare many topics in essay form. In other countries, such as France and Italy lectures are a much more common teaching method, and information is later tested by examinations. Under the ECTS all the work, which has to be done within a semester is calculated to be worth 30 credit points in order to facilitate comparisons. For example, an examination or essay which accounts for 20 per cent of the work required during a semester is thus worth 6 credit points. Therefore the ECTS credit points represent the amount of work needed to be done to pass one unit within a certain course of studies. It has no reference to the marks achieved. The mutual calculation of marks is made by a separate conversion table.

What are ECTS- 'Credit points'?

ECTS credit points are the numerical value, which are given to every taught course, in order to describe the total workload a student has for a course. The credit points therefore reflect the quantitative workload required for each course in relation to all the other courses, which need to be successfully completed during the academic year. (That includes lectures, practical work done, seminars, tutorials, excursions, self-study periods in the library and at home, examinations and other forms of assessment). Thus the ECTS takes into account the total workload, and not just the teaching and lecture times.
